

The Working Together Reopening Plan

Everyone here at WT is working hard and looking forward to being able to welcome back our members as soon as we can do so safely.

We are not ready to open our doors yet - as we need to follow government guidance and most importantly make sure we are able to keep all our members, staff and volunteers safe when we do.

It is only natural that some of our members might be a little bit worried about coming back to WT after being away for so long. An important part of our reopening is to involve you, our members, families and carers in our plans.

We've put together this survey for you to complete to help us to understand what you are thinking, what your concerns might be and any ideas you might have for how we do things, perhaps differently, whilst having to socially distance and keep everyone as safe as we possibly can.

<p>1. You may already have started thinking about returning to Working Together - what thoughts or questions do you have?</p>
<p>2. We're getting advice from the local authority and others about what we should be doing to keep everyone safe when we do reopen our doors.</p> <p>This includes social distancing (staying 2m apart), the wearing of face masks (if needed), lots of hand washing and the use of sanitiser gels, cleaning surfaces more often (before we open in a morning, during the day and when we close at night), not sharing equipment and utensils and checking that no members, staff or volunteers have any possible Covid-19 symptoms at the start of each day by checking everyone's temperature.</p> <p>Is there anything else that you would like to see us doing to help reassure you that it is safe to return to Working Together?</p>

3. We might not be able to offer all of the activities that we used to do to start off with. We won't be able to cook or serve people in the café. Are there any other activities you would like to do instead – like gardening, arts and crafts or more Writers Club or Sewing Bee sessions?

4. When we first reopen our doors, we might only be able to accommodate a few members in the building at a time and for shorter time periods than usual. If you aren't able to come to Working Together as often as before is there anything else you would like us to do?

Any activities, online sessions for example when you are still at home?

5. Do you have any other questions that you would like to ask us?

Please return your completed questionnaires by email to: manager@workingtogetherludlow.co.uk
or by post to:
